Student Challenge Group 3

Presented by:

Adriana Etemi, Eline Rotgans,

Felix Wadzah, Madhu

Anbarasan, Isa Crijns

Overview

Introduction/Video

Proposal

Strategic Relevance

Impact & Effectiveness

Innovation & Creativity

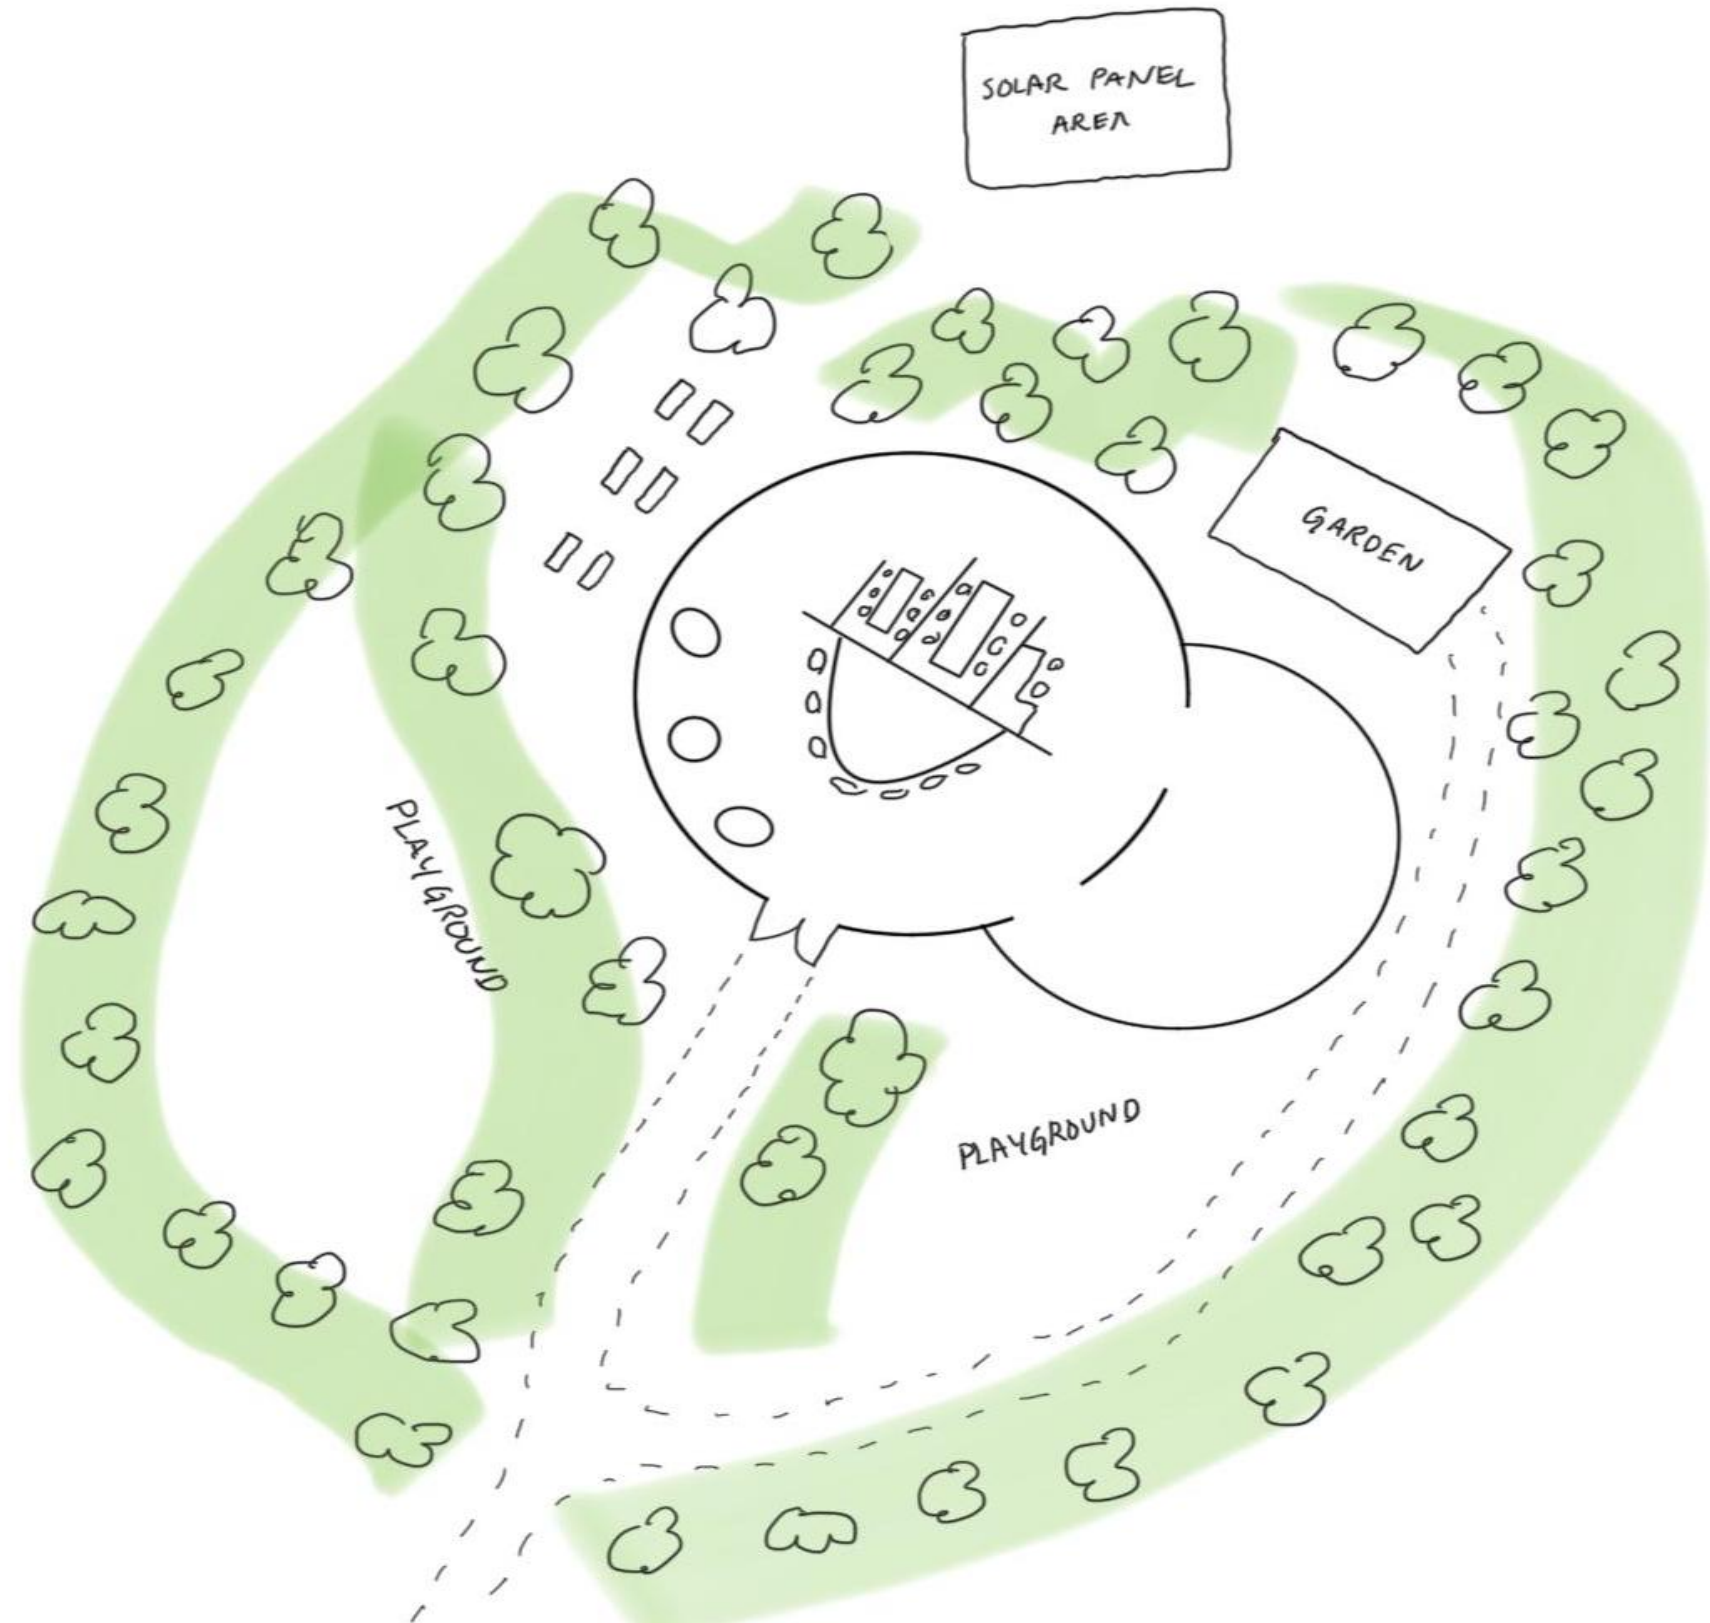

Sustainability & Inclusivity

Proposal : Community Hub

- Multiple use
- FabLab
- Co-Working space
- Café/bar
- Play ground
- Trees
- Walking paths
- Community garden

Strategic Relevance

The community hub addresses...

- Industrial land into a vibrant public space
- Flexible workspaces and community-driven events
- Provides spaces for work & socializing
- Ensures long-term adaptability & sustainability

Impact and effectiveness

- Bringing the community together
- Supporting local innovation & economy
- Enhancing green & sustainable living
- Encouraging well-being & recreation
- Ensuring long-term viability

Innovation & Creativity

- **Fab Lab** encourage innovation and hands-on experimentation in one dynamic space.
- **Smart buildings** connected spaces, tech workshops
- **Fresh Perspectives:** FM is shifting from building management to community space management

Sustainability and Inclusivity

- Green Building Design
- Water Conservation system
- Waste management
- Solar panel
- Community Garden
- Play Ground
- Inclusive areas for all ages
